## IN MEMORY

On January 14, 2006, D.A.R.E. Officer Roger Norvell was accidentally killed when a tree fell on him. Roger was an 18 year veteran of the Gibson County Sheriff's Department and was their D.A.R.E. Officer and SRO. He was first trained in D.A.R.E. July, 1990 (DOT 2) and retrained in D.A.R.E. in November 2003 (DOT 31). His funeral was held at Gibson County High School because that is where he loved to work and that is the only place large enough to accommodate his friends. Roger was beloved by all and is going to be missed by his family, the citizens and children of Gibson County, and the family of D.A.R.E.

## D.O.T. 36

## D.A.R.E. SUPPLEMENTAL LESSONS 1-3

For those of you with experience in the previous elementary curriculum, prior to 2002, you will be pleased to know that D.A.R.E. America has brought back one of the best lessons of that curriculum, "Having Positive Role Models." For those of you with experience only in the current curriculum, this is a lesson that

impacts your elementary students.

The Role Model lesson is a supplemental lesson that gives you the option of bringing in high school seniors with outstanding role model traits to talk with your 5th/6th grade D.A.R.E. students. This lesson needs to be done prior to lesson 9 so the students have this experience before writing their "D.A.R.E. Report."

The lesson is very complete and contains pointers and tips for both you and the high school role models you select.

I truly enjoy this lesson and, properly done, it always makes a big impact on D.A.R.E. students since they are able to discuss many topics with local students that have been totally drug free for their entire life. This supplemental lesson is

ready now for you to use and you may obtain a copy from any of the T.H.P. D.A.R.E. Unit troopers or by e-mail by contacting me. It is in Microsoft Word format and ready to print.

D.A.R.E. America has also developed two supplemental lessons on "Bullying" for the elementary curriculum. These lessons were written by Mr.

From January 9 - 20, 2006, The Tennessee D.A.R.E. Training Center, in cooperation with D.A.R.E. International, conducted a D.A.R.E. Officer Training Seminar in Port of Spain, Trinidad for the Trinidad & Tobago Police Service. The training consisted of 28 new D.A.R.E. officers and 5 recertified D.A.R.E. officers. Our training staff also certified 6 mentors from the Caribbean area as they start up their own regional D.A.R.E. training center. Each officer will be assigned to a primary school (elementary) and a secondary junior school (middle) as a D.A.R.E. officer. Trinidad & Tobago began D.A.R.E. in 1997, but the government recently decided to expand the program and make it an integral part of their new Community Policing initiative.

Staff for this training were: **Tennessee** - Sergeant Leonard Moudy, Troopers Jerry Duncan, John Marvin, Scott Staggs, Wayne Woodard, and Gale Moudy - Educator; **Wisconsin** - Jeff Smith, State Coordinator, D.A.R.E. Wisconsin; **Texas** - Mike Armstrong, Lamb County Sheriff's Department, Texas.

Randy J. Wiler of the Kansas Bullying Prevention Awareness Program. Randy is a nationally known expert on Bullying and has worked extensively with the foremost authority in the United States on bullying, Mr. Dan Olweus.

These lessons will fit in very well with the current curriculum. Unlike the Role Model lesson, I will be unable to give these out to you without a short training period. The

first training that will be conducted will be at the T.D.O.A. conference in Gatlinburg. The D.A.R.E. America Conference will also conduct trainings on these lessons.

The Training Center staff will be more than happy to assist you with any questions or preparation concerns you have with the **"Having Positive Role Models"** lesson and can give you more information on the **"Bullying"** lessons you will get at the conferences.
